

LOC-HES Engagement Roadshows!

The first engagement event presented by Mark McCracken and Irfan Razvi was on 15th July at UHNM. Designed to provide eye departments the Primary care Optometry update- the frameworks, the challenges and the collaborative future opportunities. UHDB and RWT to follow!

Following a "landslide" general election result for Labour, the AOP has called for primary care investment to be at the forefront of the new Government's plans.

EeRS- the first South wave is happening. If you still need to onboard please do this ASAP.

Enhanced services update

CUES & Paediatric Shared Care service spec & tariff are being reviewed. LOC pushing for improvements - watch this space!

LOC Referral Refinement Event was a success!

3 Events centred around 3 HES trusts serving Staffordshire.

The events are designed to help improve the quality of referrals and enhance understanding of pathways including EeRS. The 1st was in collaboration with UHNM. UHDB and RWT events coming soon...

The LOC AGM was held on 15th July. Thank you to those who attended. It is a non-election year so an unchanged committee. For those who could not attend, the presentations will be made available on the website soon.

Staffs LOC CPD day booking link is now live! Join us on 14th October in the beautiful Boat House at Aston Marina for a day filled with CPD points, news and networking.

Please book early to avoid disappointment as last year's event was full! [CLICK HERE](#)
