

STAFFORDSHIRE REFERRAL REFINEMENT EVENT

Staffordshire LOC are delighted to be hosting a referral refinement event alongside colleagues from Royal Stoke. While this is primarily aimed at those referring into Stoke, it is not exclusively for them as much of it will apply to the whole county.

The evening event will take place at Aston Marina on Monday 1st July from 6.15pm

The Royal College of Ophthalmologists has released commissioning guidance for AMD services. [READ HERE](#)

EeRS is active in the North of the county. Please remember to use EeRS for ALL referrals that are not part of an enhanced service. You can see what's happening with your patient and provide instant updates!

South roll out coming soon. If you still need to onboard please do this ASAP.

REFERRAL PATHWAY UPDATE
NORTH STAFFORDSHIRE AND STOKE GP Routine Ophthalmology referrals will now go to 'ICB Choice and Referral centre' so please select this option on CINAPSIS.

For those who are not yet on CINAPSIS, you can send the referral direct to choice and referral centre: choice.referralcentre@nhs.net

ALL STAFFORDSHIRE GP PATIENTS YAG capsulotomy referrals are now to be sent directly to the provider. For Acute trust (UHNM, RWT, UHDB) preference, please use CINAPSIS route. If you are not yet on CINAPSIS, please use the existing route/method that is relevant to your region.
